

# DE LA SALLE HOLY CROSS COLLEGE

3 August 2021

Dear De La Salle Holy Cross College Community

De La Salle Holy Cross College has always enjoyed the privilege of being guided by the ethos and values of our dual charism school. Steeped in history, the core principles of the De La Salle Brothers and the Holy Cross Sisters are as pertinent today as they always have been. Most recently, the theme at this year's Holy Cross Education Conference "*Transforming Presence: Navigating Challenges – Nurturing Hope*", has significant relevance during current times.

The last eighteen months have seen our world changed, and we have all had to transform in various ways, be it in our personal lives, at work, at school, and in our community. We have seen how hardships, prayer, and community support have all been a transforming and comforting presence as we accompanied each other through the difficulties that were presented. We hope that the 0% fee increase at the end of 2020 helped ease some of the financial strains that many have experienced.

Unfortunately, due to rising costs and other increasing expenses, a second successive zero increase in fees is simply unsustainable, and would place the school under unmanageable financial pressure. More importantly, we would not be able to offer the assistance that families need, adequately support our teachers, and meet the needs of our children. This would jeopardise the school's ability to be a transforming presence in the lives of our community.

We know that many of the challenges we have faced still exist, with perhaps more still to come. We are, therefore, pleased to announce that the Board of Governors has approved a fee increase of only 4% for 2022. By keeping the fee increase as low as possible, we believe that we will be able to continue to navigate the challenges that still lie ahead, while maintaining the standard of education that is the hallmark of De La Salle Holy Cross College. This, of course, will continue to require prudent spending, meticulous financial management, and dependable fee collections.

Throughout history, Holy Cross and Lasallian schools across the globe have shown their resilience in the face of adversity. As we move forward in faith and with optimism, we know this will continue long into the future. The school remains in a strong position. It is through this solid standing that we know we will continue to achieve the most important Holy Cross and Lasallian objective of them all - nurturing hope in the lives of children.

Thank you for continuing to journey with us, and for entrusting your children to our care, as we collectively strive to be a transforming presence, navigate challenges, and nurture hope – together.
