

# DE LA SALLE HOLY CROSS COLLEGE

15 October 2018

Dear Parents

Since the announcement of the plans to build the swimming pool at De La Salle Holy Cross College, there has been a buzz of excitement amongst the children with what they can look forward to upon completion of this project.

By now we are sure you have all seen the swimming pool fundraising barometers which are proudly on display at various points around the school. As these boards reflect, we are making steady progress. However, there is still some way to go in order for us to reach our target of two million Rand. We continue our appeal to assist us with this very worthy cause which will benefit the entire school and our community in many ways.

Parents will have the opportunity to make donations in various ways.

- Grade Challenge – be a part of your children's grades for group donations. In order to add to the excitement, we will be running a competition so that the Grade that raises the most money will be treated to a special prize.
- Individual family donations
- Group donations with extended family to be acknowledged by the family name.
- Corporate Donations
- Alumni Donations

You are of course welcome to donate under more than one banner (e.g. Grade 6 and family donation). All donations will be acknowledged in a beautiful coffee table book that we are producing as a pictorial history of the build, as well as on the donor board for donations above R10 000,00.

For your convenience we have created a Quicket Fundraising link for easy use, where you can pay by card, SnapScan or EFT. Click here to make your donation.

The pool will enable the children to have regular class swimming lessons in the morning and private swimming lessons in the afternoon and evening. Keen swimmers will have the opportunity to train regularly contributing towards more swimming teams. Parents can enjoy refreshments in our own revamped coffee shop and tuck-shop facilities.

Regards

**Atholl Murray and Neil Berndsen**  
Headmasters of the College
