Catholic  
Education

Dear Parents,

Life Teen will commence for 2017 on 22 January 2017 where Fr James will address everyone. We invite all parents to join us for this first night for an introduction and registration evening.

Life Teen is the confirmation program for our parish and plays an important part in preparing the teenagers for this wonderful Sacrament and for the rest of their lives. The importance of regular attendance throughout the 4 years of preparation can't be overstated and we are taking it very seriously. It will be compulsory for all teenagers wanting to be confirmed at St Charles Borromeo parish to have an 80% attendance (they will be able to be absent for up to 5 nights) every year from grade 8 to grade 11 to ensure they are full prepared for the Sacrament. We emphasize that the religion classes at school do not replace this preparation with the parish, but rather augments it. The 80% attendance still applies to those receiving religion classes at school.

We look forward to seeing you on Sunday, 22nd January.

Yours in Christ  
Vicki Bolton and Tim Joseph
